ADDITIONAL INFORMATION, CONDITIONS AND CITY OF HURSTBOURNE AUTHORIZATIONS

PERMIT EXPIRATION (check box) and initial ____

City of Hurstbourne Ordinance (150.20 (C))

"Letter of compliance and letter of approval authority are good for only one year from issuance.

If the project is not complete at the expiration of one year, the letter of compliance and/or letter of approval are invalid, and the applicant must reapply."

FENCES (check box) and initial ____

Permits for all new fence construction or fence replacement must be accompanied with detailed information of fence materials including product brochure renderings. A surveyed plot plan of property showing the exact location of fencing must also be included.

DRIVEWAYS, SIDEWALKS AND DRIVEWAY APRONS (check box) and initial ____

All driveway, sidewalk and driveway apron projects must comply with specifications contained in City of Hurstbourne Ordinance (91.01, 03). As part of permitting such work, all applicants must acknowledge receipt of City of Hurstbourne concrete mix and curb/gutter alteration specifications.

GARAGE ADDITIONS AND EXPANSIONS (check box) and initial ____

All new garage additions must be attached to the home and not be freestanding in any way. Garage projects must be accompanied by detailed building plans including elevations and renderings. All such building plans must also include a surveyed plot plan of the property showing the exact location of the garage addition or expansion.

PLAY STRUCTURES, PORCHES, GAZEBOS, PERGOLAS, DECKS/PATIOS (check box) and initial ____

All building additions must be attached to the home and not be freestanding in any way with the exception of small play structures decks and patios. Building attachment plans must be in keeping with City of Hurstbourne Building Ordinance specifications. No detached buildings, sheds, garages, or other structures are allowed unless approved as an exception by the City Commission.
